As per the Vortex Warranty Policy, the customer will be provided a Replacement Panel at no charge. As a courtesy, we ship the Replacement Panel in advance, and it is the customer's responsibility to return the Defective Panel within fifteen days.

We still provide free shipping to our customers for Warranty Replacement Panels, however, we no longer offer free pickup service for Warranty Panel returns. The customer must return it in the box provided, postage prepaid by customer. No COD's will be accepted.
