Save Money

**Reduce Carbon
Emissions**

**Reduce
Dependency
on Foreign Oil**

Patent Pending

**Let the sun
heat your water
for free**

SOLAR COIL LLC

**Save money in
two ways:**

1

Tax Credits and Rebates

- Utility company rebates of up to \$1,000.00 at time of installation
- IRS Tax Credit of 30% of the total cost of Solar Coil® hot water heating collector, plus the cost of installation. Maximum of \$1,500.00
- Manufacturer's rebate up to \$750.00 in some areas

2

Reduced Energy Costs

- Save up to 50% annually on the cost of heating your water
- Reduce dependency on foreign oil and fossil fuels.

Let Solar Coil® install a solar hot water heater today.
